

Adwoa Acheampong

Innovative

Networker

Tenacious

Thinking

Analysing | Exploring

Adwoa is curious and likes to explore new ideas and approaches. When faced with a problem, Adwoa tends to think out of the box and enjoys considering a wide range of alternatives. Adwoa looks for opportunities to learn and thrive in roles which offer them novelty and variety. On the flip side, Adwoa may get bored in routines and at times may be perceived as overly optimistic or having impractical ideas.

Adwoa is comfortable in dealing with numerical data to understand problems and solve them. Adwoa tends to be factual and uses evidence to support their hypothesis.

Connecting

Networking | Collaborating

Adwoa is someone who feels at ease when connecting with new people and generally has a well-developed network.

Adwoa displays empathy towards colleagues and finds it important to listen to their points of view. Adwoa is likely to involve others in key decisions and plans. Adwoa gives credit where it is due and delegates easily when necessary.

Executing

Quality | Result Driven

Adwoa pays attention to details and enjoys delivering work that is of a high standard.

Adwoa tends to be systematic, methodical and organised and delivers within deadlines. Adwoa is reliable and disciplined and driven to achieve their goals.

Progressing

Leadership | Resilience | Adaptability

Adwoa recovers quickly from setbacks and does not let negativity pull them down.

Adwoa views failures as learning opportunities and an intrinsic part of the route to success.

Adwoa is a good team player who pays attention to everyone's input in a group setting.

Adwoa brings energy to groups without wanting to necessarily take charge.

Adwoa prefers to work in stable environments and is uncomfortable with dealing with unplanned changes.
